

Coaches: This is your official Tournament Roster. Type or clearly print your players' names, jersey numbers, and birthdates. Bring this form to Check-in on Friday evening. Use an asterisk to denote a guest player (maximum of 3-5 guest players allowed depending upon division). If you are bringing guest players, they must be registered through the MSYSA website (www.msysa.net), have a copy of their official league roster from their home team, and have valid player passes.
